## President's Message

It's May and more importantly, it feels like May. Let's enjoy it because next week it will probably feel like August. May not only brings flowers (and allergy attacks), but the car season really starts ramping up.

But first, let's take a look back at our National Mustang Day 2022 celebration. All I can say is WOW! 118 Mustangs at Performance Ford, 118! Although the Mustangs were great to see, it was the people that made this such a great event. New members, members I haven't seen in a while, members I've never seen and members who didn't know they were members until they were by the end of the day. It was great meeting all of you, just don't

expect me to remember all your names (Just ask anyone, whoever they are.).

As far as I can tell, I wasn't the only one who was impressed, as everyone kept telling me how much they enjoyed the day. You can read my entire recap elsewhere in this issue.

I would like to thank Bill & Joanne Chernack for their efforts to make this event the success that it was. Bill pays attention to every little detail, and it shows. Thanks also to everyone who helped that day. We wanted to make it a relaxing day for members but there were still things that needed to get done and fortunately members were ready to pitch in.

Also, thank you for the patience & understanding for the delays in getting cars parked and traveling from location to location.

Moving on to the future, you should be getting this newsletter just before our big Spring Roundup show on 5/15. As I write this column, the weather forecast appears to be moving in our favor, but it will be hot, not something we're used to yet this year. Be prepared if you will be attending.

The May meeting marks the return of our ever-popular Spring Potluck Supper. I'm sure you are all in the kitchen now making your entrée, side dish or appetizer so I'll just mention that I prefer something Italian, but pizza or chicken is good too. This is always a well-attended meeting and I hope you can make it.

Looking towards June, it starts with the massive Carlisle Ford Nationals in PA. The Wild Stallions show in Old Bridge and there our Ice Cream social on 6/15.

See you at the show,

Mike D., #001

## IF IT WASN'T FOR POTLUCK...

# CLUB NEWS

The May 18<sup>th</sup> meeting will be our Spring Potluck Supper and it will also be another Meeting Cruise Night. Everybody knows that we as a club like to eat, so the Spring Pot Luck Supper is one of our most popular meetings. Members are asked to bring a salad, appetizer, side dish or entree, while the club will supply the soft drinks and desserts. Now that the weather is getting nicer and the days are getting longer, it is also time for our Meeting Cruise Nights. We encourage all members attending the May meeting to bring their ponies with them. Come out early to check out the cars. Cruising starts at 7 & the food will be served at 7:45.

Although they are both on July 4<sup>th</sup>, there is enough time between parades so those who wish can participate in both. We will be getting paid by both towns for participating, so we'd like to have a good turnout at both. We need to line up for the Maywood parade at 8:30am in the parking lot of Myron Manufacturing on Maywood Ave. After a brief pit stop, we will cruise over to Ridgefield Park for their parade's starting time of 11:20am.

Keep in mind that these towns start closing down streets early near the parade route.

## JOINT CLUB ACTIVITIES

No, we are not having marijuana parties now that it is legal. Joint, in this case, refers to activities with other clubs. We have been in touch with the South Jersey Mustang Club and we are trying to find an open Saturday this summer to have mixer, so to speak. Dave W. down in central jersey has offered his parking lot where he runs Car & Coffee New Jersey on the last Saturday of the month. We would also have access to his 30 + Mustang & Ford collection. Stay tuned for further details.

## TRACK TOUR

The South Jersey Mustang Club has invited us to join them on a Dover Motor Speedway track tour they have scheduled for Saturday, August 20<sup>th</sup>. The track hosts two Nascar races each year and is located in Dover DE. The SJMC has done this before and it includes taking your cars out on the track following a pace car for several laps, touring the garage area, the media center, victory lane and stopping for several photo ops. The cost is \$20 per car and an extra cost for passengers. I hope to have more details in the coming months.

## FREE ICE CREAM

Who doesn't like that? We will be holding our annual Ice Cream Social at the June 15<sup>th</sup> meeting. Everybody loves ice cream so this is always a crowded meeting. There will be different flavors of ice cream along with all the fixings to make your own personalized treat. So bring the whole family for a really cool time. We will also be having another Meeting Cruise Night. We encourage all members attending the June meeting to bring their ponies with them. Come out early to see what everybody's driving, just don't drip ice cream on the cars. Cruising starts at 7:00pm and the ice cream will be served around 7:45pm.

## WE LOVE A PARADE(S)

Parades are a fun way to show off your car and we hope many of you will participate in one or all of the them that we have coming up. Although it doesn't matter what year or body style Mustang you have, we'd really like to see a diverse group, including a good turnout of first generation cars.

We have been invited back to the Independence Day parades in Maywood and Ridgefield Park.

## SHELBY GT500-H DEBUTS AS 900 HP RENTAL MONSTER

Hertz has revealed what it calls the Mustang Shelby GT500-H, as well as the Mustang GT-based GT-H.

Hertz is teaming up with Shelby American for the new Mustang Shelby GT500-H and Shelby GT-H. Shelby American will build both models at its facility in Las Vegas and then ship them to Hertz airport-based rental fleets across the U.S., where interested customers can rent one of the special edition models. The GT500-H is no ordinary machine, however, as the supercharged Ford 5.2L V8 Predator underhood has been treated to modifications that increase horsepower from 760 to over 900, making it the most powerful rental car Shelby has ever built. The GT-H, on the other hand, comes equipped with a Borla cat-back performance exhaust for its Ford 5.0L V8 Coyote powerplant.

On the outside, all 2022 Shelby Mustang Hertz models are equipped with a host of unique features that set them apart, visually speaking. Nineteen of the Shelby GT500-H models built will wear Shadow Black exterior paint and six will be finished in in Oxford White to honor Shelby American's 60th anniversary.

The Shelby GT-H fastbacks and convertibles will be available in Rapid Red Metallic, Oxford White, Carbonized Gray, and Shadow Black. All will feature gold "Le Mans" dual racing stripes and set of special rocker stripes, along with Hertz Edition and Shelby 60th anniversary emblems, aluminum forged mono-block wheels, performance spec tires, tinted windows, Shelby badges, and both driver- and passenger-side stripes.

Inside, Shelby and Hertz logos are featured on the seats, sill plates, and floor mats with a numbered badge located on the dash and under the hood, where the supercharger on the Shelby GT500-H is finished in gold to match Hertz's livery. Meanwhile, the Shelby GT-H rides on 20-inch aluminum wheels wrapped with all-weather Michelin tires and is also equipped with a Shelby-designed deep-draw hood, upper grille, fascia winglets, and taillight panel.

The Mustang Shelby GT500-H will be available to rent in Fort Myers, Las Vegas, Miami, Orlando, Phoenix, and Tampa. The Mustang Shelby GT-H

convertibles and coupes will be available in Atlanta, Dallas, Fort Lauderdale, Fort Myers, Las Vegas, Los Angeles, Miami, Orlando, Phoenix, San Diego, San Francisco, and Tampa.

## NATIONAL MUSTANG DAY 2022

**A**pril 16th started as a cloudy & somewhat cool day and, as a dedicated group of Mustangs started assembling in the parking lot of a WaWa, it appeared to be getting darker. But this was the GSRMC's NMD 2022 celebration and they would not be deterred.

We all know that the real birthday of the Mustang is April 17<sup>th</sup>, but with that being Easter Sunday this year we moved our event to Saturday along with just about every other club that commemorated the event. Our plan was to have two groups from different areas of northern NJ cruise to a location, Performance Ford, that was near the midpoint of the two locations. About thirty Mustangs left from the Lodi location and another thirty or so cruised over from Rockaway. When the first group arrived, there were probably another thirty or more Mustangs already in the lot. When the dust settled around 10:30 am, 118 Mustangs had filled the dealership lot in East Hanover.

There were 4-cylinders, 6-cylinders, 8-cylinders, Sprints, GTs, GTCs, Mach Is, Bullitts, SVTs, Shelbys, Roushes, Saleens, and a Mach E GT. There were coupes, convertibles, sportsroofs, 2+2s and hatchbacks, stock, modified, daily drivers and show cars. And don't even get me started on the colors. Unfortunately, the only model we didn't have was a second-generation, Mustang II.

Performance Ford was an excellent host and provided us with complimentary coffee, doughnuts, and hot dogs. Participants were asked to bring non-perishable food items and we collected almost 600 pounds of food that was donated to Interfaith Food Pantry of Morris County. Did I mention that by that time, the sun had come out and it felt more like a mid-April day.

After two hours of eating and talking Mustangs, it was time to head to our second destination. The East Hanover police were gracious enough to stop by and block off a lane of traffic so our Mustangs could all safely exit the parking lot. Some people chose to take the quickest route while the rest enjoyed a 45-minute trip through the hills of Morris County. We were aided again by the police departments of Mendham and Chester who

**(contd. on pg. 8)**

**(NMD, continued)**

stopped traffic at key intersections. When the long line of scenic cruisers arrived at Tranquility Farms in Chester, they found another long line of Mustangs waiting for them.

The plan was to park all the cars together at the farm to get a group photo. Well, you can imagine how long it takes to get, now 80+, Mustangs organized into tight rows and that's about how long it took. Everyone was patient and willing to cooperate for the creation of the photographic masterpiece we were looking to achieve. After our photographer, Jonathan Collins, and many others, including a drone, got their shots it was time to eat. The club provided sandwiches, wraps, and drinks for everyone.

A young woman brought out a handsome white horse and everyone had the opportunity to have their picture taken with it. The scenic locale also proved to be a popular background for individual pictures.

Three o'clock arrived before we knew it and everyone started to slowly make their way to the exit, vowing to return for NMD 2023.

When Bill Chernack and I started planning this event we wanted to have an event that GSRMC members

would be able to enjoy but we also felt that it was important to invite all Mustang owners, regardless of whether they belonged to the GSRMC or not. Besides meeting some great new Mustang people, we added 16 new members that day and overall, over 30 new members and renewals since we started advertising the event. We felt that on NMD particularly, it was our club's responsibility to promote the hobby and judging by our membership increase and all the people amazed by the line of Mustangs cruising past them we succeeded.

I was also invited to call into a live radio show to talk about our celebration and we were the subject of a front-page newspaper and online article by a reporter that was at the event.

I would like to thank Bill C. for his tireless efforts to ensure that this would be an event to remember. Thanks also to the folks at Performance Ford and Tranquility Farms as well as the police departments that helped us. Thanks also to the members who lent a hand that day and Jonathan Collins and everyone else whose pictures I have included here. Finally, thanks to all of you who participated and made NMD 2022 a day to remember.

Your car on the cover of your club's newsletter. What could be better than that? And it's so easy to do too.

We are looking for GSRMC members' Mustangs to feature on the cover and inside the Pony Xpress. Finally, e-mail them to Mike D. at [8550mustang@gmail.com](mailto:8550mustang@gmail.com) and sit by your computer until your Mustang gets the star status it deserves. It really is just that simple.
